

## **Seedlings Class – Home Learning – Term 2**

## **Topic: Out of this World**

You can choose and complete any of these tasks in any order. You can bring your home learning into school for sharing or send via email.

### **English Focus**

Write a story or poem about a space adventure. It could be about visiting space or about an alien visiting Earth.

Write a newspaper report about a Moon landing. Share non-fiction books about space. Create some Alien words – remember you can use your phonics to have fun with these.

### **Maths Focus**

Create a space picture using 2D shapes. Create a space board game like snakes and ladders but use a rocket to go up and an alien ship with a shooting slide to come down.

### **Science Focus**

Observe the night sky. What can you see? Keep a picture diary of how the moon changes each night.

Find some interesting facts about the different planets. Create a postcard to share the facts.

### **Creative Focus**

Create a painting or drawing with a space theme using materials of your choice.

Design a rocket, spaceship, alien spaceship or a moon buggy.

Create a painting or drawing of an alien, what is their name? What planet are they from? What do they like, dislike?

### **Topic – History & Geography**

#### **Explorers**

We will be learning about Neil Armstrong and other famous explorers.

Research significant explorers from our past – what information can you find?

Create an information poster to share in class.

### **Music and Dance**

Learn the song “Five Little Men in a Flying Saucer”. Create your own dance.

Find a piece of music to create a dance where you are an astronaut walking on the moon.

***Remember to share and read books every day. Practise your phonics skills to improve reading and writing.***
