

# Mysterious Mayans

## Term 1

**You can complete these tasks in any order, and they can be completed in your home learning book or you can send them via email to Mrs Grimwood. Be as creative as you like.**

### Science

Our topic this term is scientists and inventors. Research a famous scientist or inventor that inspires you and create a project about them.

### Dance

Create your own Mayan dance routine which has 4 sets of 8 counts. You could video yourself doing this or write instructions for doing it.

### History

Choose an area of the Mayans that you would like to find out about e.g. daily life, transport, food or farming and create a fact file about it.

### English

Keep a diary for a week. How should it be set out? What exciting activities will you write about?

### Maths

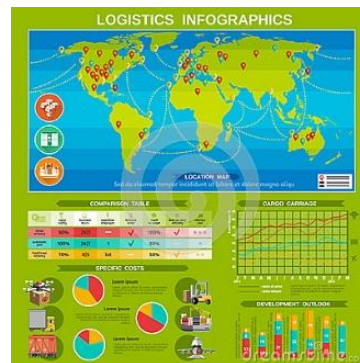

<https://www.topmarks.co.uk/maths-games/7-11-years/place-value>

Have a go at some of the games on the link above to do with place value.

Place Value									
Hundred Millions	Ten Millions	Millions	Hundred Thousands	Ten Thousands	Thousands	Hundreds	Tens	Ones	

### Geography

Compare life in modern Maya to life where we live. Where would you prefer to live? Why?

### Art

Draw a picture of yourself as a Mayan child.

### Mindfulness

Go for a nature walk with your family and observe your surroundings. What five things can you see that you can't normally? What four things can you hear? What three things can you feel? What two things can you smell? What one thing can you taste?
