

Seedlings Newsletter Term 1

A big welcome back to school! Seedlings have settled back to school routine quickly and it has been wonderful getting to know them all.

This term we will learn through the topic *'Super Me & Real Superheroes'*

English: We will share a range of stories to improve reading and comprehension. This will support application our phonic knowledge to write sentences and stories, improving punctuation too!

Maths: We will be focusing on number, counting and place value, applying our knowledge for problem solving with a range of maths challenges along the way!

Science: Everyday Materials and their uses. We will link this to topic following children's interests and ideas.

Religious Education: We will be thinking about creation and Christian values.

History: We will learn about Florence Nightingale and Mary Seacole linked to real superheroes. Comparing and talking about the past and now.

Music, Art & DT: We will explore music and create a Superhero dance! We will improve our art and design skills to link to our stories and follow the children's interests.

PE

Wednesday morning and Thursday afternoon. Please wear PE clothes into school.

Reading

Please ensure that your child reads at least 5 times a week at home. Please sign in their reading record.

Reading books are needed in school every day but will be changed on Tuesday and Friday.

Contact Books

Your child has a small green contact book. You can put messages in this book including home time collection arrangements.

Home Learning

Six activities will be sent home each term. These can be completed in any order – have fun!

We are always here to help – Thank you – Mrs Dunne & Mrs Rawlins.
