

Seedlings Newsletter Term 2

Welcome back, we hope you had a restful holiday.

Term 1 was a great success, and the children were fully emerged in our Topic of Super Me and Real Superheroes which supported progression in both reading and writing. We hope you enjoyed our celebration performance.

Our topic for Term 2 is Out of this World.

Please note:

Reading books and contact books are to come into school every day.

PE days this term is Wednesday and Friday. Please wear PE clothes into school and have a water bottle.

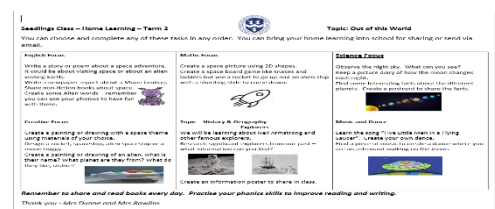

Home Learning is a selection of different activities to support our topic. Please share with your child and for them choose what they are interested in. We will share these in class.

English: We will share stories linked to our topic. These stories will support and motivate the children to read, applying phonics and writing. Please read daily and practise letter formation, writing words and sentences. The stories we have chosen will make the learning fun.

History and Geography: Explorers

Linked to our English we will be learning about significant explorers, going to the moon! We will be thinking about what it is to be an explorer, where they go and what do explorers need and why.

Religious Education: We will be learning the Nativity Story and thinking about the meaning of Christmas and why Christmas is important to Christians. We will be performing our Nativity play.

Maths: We will be learning number bonds, times tables, place value, shape and more! Our maths learning is linked to our topic.

Science: Animals Including Humans

We will be learning about different animals and their young. How they grow, what they need to survive and how to care for animals. We will also learn about how humans grow and how to stay healthy, exploring different foods.
