

Seedlings Class – Home Learning – Term 1

Topic: Super Me & Real Superheroes

You can complete these tasks in any order. You can bring your home learning into school or send via email.

English Focus

Write a list of 'golden rules' for being a sensible Superhero. These rules could suggest how to help other and how to protect the environment.

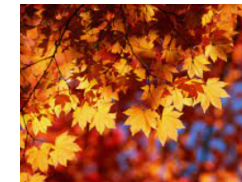

Maths Focus

Play a number game. E.g. Snakes and Ladders. Can you recognise the numbers on the game board? Can you count the number of spaces for your turn?

Science Focus

Make a list and draw pictures of some of the different weather you would find in autumn. Can you write about your favourite weather and why.

Creative Focus

Design your own superhero. What will they be called? What will they wear? Will they have special powers? Write about the adventures you might have.

History

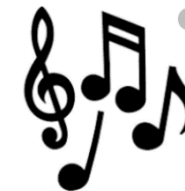

Florence Nightingale & Mary Seacole

Create a poster for the class topic board to share what you know. How have hospitals changed?

Music and Dance

Choose a piece of music for creating a Superhero dance. What moves will you do to show the Superhero you are and your power?

Remember to share and read books every day. Practise your phonics skills to improve reading and writing.

Thank you - Mrs Dunne and Mrs Rawlins
