

# Term 2- Celebrations

You can complete these tasks in any order, and they can be completed in your homework book, or you can send them via email to Miss Bingham.

Be as creative as you like.

<p><b>Science</b> How do we know the season has changed? Go on a hunt to find things in the garden, field or down the street that shows the seasons have changed! It can be a leaf fallen from the tree, conkers, or even a Robin bird! Draw and write about what you found out!</p> 	<p><b>Phonics</b> This half term we will be sending home a phonics sound pack. The sound pack will include the sounds the children have been learning. Can the children recognise the sounds independently? Take a photo of your child doing their sounds!</p> <p style="text-align: center;"><b>Phonics</b></p>	<p><b>Maths- 1 add another 1 makes 2!</b> Find different objects that can create 2 by making 1 and another 1. Can you find other objects that can make more than 2? For example: 1 pencil, 1 piece of paper and 1 pillow makes 3 altogether!</p> 
<p><b>Physical Development</b> Play a game of football or basketball! Can you kick a ball into a goal or bounce the ball then aim for the hoop? It can be a circle drawn on the floor or a goal made up!</p> 	<p><b>Understanding of the World</b> Have you been to a celebration? Can you find pictures of your celebration to create a collage? Ask an adult to help you write about the pictures and what you were celebrating.</p> 	<p><b>Expressive Art and Design</b> Can you design your own wedding outfit? It can be a wedding dress, suit, bridesmaids, groomsmen, or a guest outfit. You can draw it, paint it, make a collage... Get creative!</p>
