

Vile Victorians

Term 4

You can complete these tasks in any order, and they can be completed in your home learning book or you can send them via email to Mrs Grimwood. Be as creative as you like.

<p>DT Research different bridges around the world e.g. The Golden Gate bridge, Tower Bridge, Sydney Harbour Bridge etc... You could draw them, find out about their designers or create a fact-file about a variety of different bridges or just one.</p> 	<p>Science Research an animal which has adapted to its environment. The more unusual, the better. OR Make up your own creature and explain how it has adapted to its surroundings.</p> 	<p>History Find out about what life was like for a Victorian school child. You could create a fact-file or write a diary extract. Would you liked to have gone to a Victorian school?</p> 	<p>English Write a poem about the Victorians. You can choose any type of poem you like e.g. acrostic, haiku, rhyming poem etc...</p> 
<p>Maths Play this interactive matching fractions, decimals and percentages game: https://nrich.maths.org/1249 You could also create your own matching game to play in class.</p> 	<p>RE Re-tell the Easter story. You could do this by creating a comic strip, a diary entry, a PowerPoint presentation or create your own short film.</p> 	<p>History/PE Create an outdoor game for Victorian children to play.</p> 	<p>PSHE As part of our Jigsaw topic, we are learning about healthy living. Create a mini project about how to live a healthy lifestyle. Do you think that the average Victorian child had a healthy lifestyle? Why?</p>
