

Term 3- People Who Help Us

You can complete these tasks in any order, and they can be completed in your homework book, or you can send them via email to Miss Bingham.

Be as creative as you like.

Literacy

During this term we will be focusing on letter formation and writing simple sentences. What 3-word sentence can you write? Have a practise!

Examples: The black cat. The red car.

Phonics

We will be continuing to learn tricky words and more Phase 3 sounds. Using the phonics pack and plain paper, write some sounds and/or tricky words and play a game of snap! Can your child spot the matching sounds or words?

Maths- Spot the shape!

Can you find any 2D or 3D shapes in your home environment? Go on a hunt and take photos of what you find! How many sides does your found shape have? How many corners does it have?

Circle

Square

Rectangle

Triangle

Physical Development

Lets balance! Challenge yourself to balance on one leg, can you hold your arms out at the same time? What other ways can you balance? Be careful!

If you have been to gymnastic classes, show us your moves! Snap a picture!

Understanding the World

People who help us- draw a picture of who you would like to be when you grow up! What is your dream job? Be creative and colourful!

Science

Experiment with mixing colours, you can use paint or food colouring! What different colours can you make? What colour does mixing brown and purple make? Choose any colours of your choice!
